Tour JAN-KT01: Srinagar - Pahalgam – Aru – Lidderwat – Kolahoi Glacier – Lidderwat - Srinagar

The Lidder Valley is a great example of what the Kashmiri mountains have to offer. This light trek takes you through flowering alpine meadows and cedar forests to one of the easiest accessible glaciers in the Himalayas. The Kolahoi Glacier is one of the larger glaciers in the Indian Himalayas and on a clear day the views are stunning.

Itinerary

Day 01: Arrival Srinagar.

On arrival at Srinagar, you will be met by our representative at the airport and transferred to Houseboat Ambassador.

In the afternoon we make a *shikara* tour on Dal lake. A shikara is small Kashmiri wooden boat that is rowed by a *shikari* with a heart-shaped peddle). Overnight at Houseboat.

Day 02: Srinagar – Pahalgam; treks starts (4 hrs drive; 12 km/3 - 4 hrs walk)

The drive from Srinagar to Pahalgam takes about 4 hours. On the way you'll cross the Kashmiri country side with fruit orchards and rice and saffron fields. In springtime the orchards and the saffron fields are blossoming in shades of pink and white.

In Pahalgam the packhorses will be waiting. While they are being packed you'll have your lunch.

Through high meadows surrounded by forest we trek up the gently rising trail to the pretty village of Aru, 11 km from Pahalgam. On arrival at Aru we'll pitch our tents

beside the Lidder River. Here you will eat a delicious dinner around the campfire before having your first night under the Kashmiri stars.

Day 03: Aru – Lidderwat (3049 m; 11 km/3-4 hrs walking)

After breakfast we will trek through the lush Lidder Valley to Lidderwat. The beautiful Lidderwat base camp is situated by a stream that runs straight from the Kolahoi glacier into Tarsar Lake

which is at an altitude of 3960 m.

Day 04: Lidderwat - Kolahoi - Lidderwat Base Camp (3049 m; 13-14 Km/5-6.5 hrs walking)

After breakfast we leave for a day walk that takes you to the base of the Kolahoi Glacier at the head of the Lidder Valley. The glacier, climbing from 3400 m up to 4000 m descends from the twin peaks (5425 m) that tower majestically overhead. In order to get good views, we'll climb up to at least 3400 m (at the foot of the glacier), but climbing on another hour is even more rewarding.

Day 05: Lidderwat - Aru

Morning after breakfast you will trek back to the lushness of the valley and reach Aru by the afternoon.

Day 06: Aru - Srinagar (96 kms/3 hrs drive)

We return back to Srinagar by car where you will be taken to the houseboat on the lake. Dinner and overnight stay at the houseboat.
